

AUTO BODY REPAIR & REFINISHING

BEEN IN AN ACCIDENT? NO WORRY. WE'LL GET YOU BACK ON THE ROAD!

As customers' expectation is constantly changing, Evatrend recently launched its first collision center in Cheras, Kuala Lumpur, to better serve the customers. The repair workshop is staffed by professionally trained and certified service specialists and is equipped with the most up-to-date diagnostic equipment and special tools to provide authorized service and to maintain a full supply of genuine spare parts. We welcome all car owners to visit our new repair workshop for the best aftersales care and repair solutions that our team can offer. Additionally, our customer service estimators work hard to ensure that our estimates represent the actual cost of the repair work. The panel workshop is located at 2, Jalan Kencana 20, Taman Kencana, Cheras 56100 Kuala Lumpur.
